LIVE UNITED®

ONE BRAND. ONE VOICE. ONE PASSION.

Women United, which includes over 70,000 international women leaders, mobilizes women who strengthen our community by investing in and promoting programs that positively impact our community's children, families, and future.

Founded in 1999, San Antonio's women leaders join over 165 U.S. communities bringing focus and philanthropy to address local issues. Including professionals, community volunteers, and civic leaders, Women United members are committed to offering their time, energy, and talent toward addressing critical issues facing local women, children, and families. Through their leadership and generosity, members serve as catalysts for positive change.
