LIVE UNITED[®]

LET US BE THE FIRST TO CONGRATULATE YOU ON YOUR NEW JOB AND INVITE YOU TO MAKE A DIFFERENCE IN OUR COMMUNITY.

Welcome

Congratulations on joining an organization that takes its responsibility to our community seriously through its endorsement of United Way of San Antonio and Bexar County. Your new co-workers truly care for the well-being of their fellow citizens and have a strong tradition of championing that commitment through their annual support of United Way.

The Best Reason to Give

Your gift helps those who need it most. United Way strategies and programs are evaluated and held accountable for using investments efficiently and effectively. Your money is well spent right here in San Antonio.

Every gift to United Way helps advance our community in four focus areas: ensuring that our children have a safe and healthy start in life, our students stay in school and graduate, that we do all we can to strengthen individual and family well-being, and that we provide a safety net of emergency services like food, clothing and shelter.

Please Make a Pledge to United Way Today

We're asking that you make a pledge to United Way at this time. While several payment methods are available, we encourage you to use payroll deduction. Please talk with your new-hire representative on how to proceed with completing your pledge to United Way.

Giving is a personal decision and is always voluntary. When you give at a Leadership Level, which begins at \$500 per year, you become a shining example to others, embracing the idea that every man, woman, and child deserves an opportunity for a good life. Whatever amount you choose will make a difference in thousands of lives.

Thank You for Helping Us All Live United

Thank you for your gift. It is an investment in proven results that improve the lives of those most in need throughout our community. To live better, we must Live United.
