

# HELP US **START** THE 2019-20 SCHOOL YEAR **WRITE!**

The United Way **Write Start Project** is a back-to-school initiative targeting those who make a difference in the lives of our children, the individuals who spend their days ensuring that our students succeed in the school...teachers. The Write Start Project is aligned with United Way's work to support Ready Children and Successful Students.

Join us and help support **77 schools** and over **5,000 teachers** in our community! #WriteStart
